In addition to the games of skill [referred to in subdivision (14) of] defined in subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission shall require the applicant or licensee to pay the cost of placing a notice in a newspaper of general circulation in the applicant's or licensee's home dock city or county. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including: (1) Is it in the best interest of gaming to allow the game; and (2) Is the gambling game a game of chance or a game of skill?
